

The Return of Sherlock Holmes (Akasha Classic)

In The Return of Sherlock Holmes, Arthur Conan Doyle brings back one of his greatest characters for more sleuthing adventures. Sherlock Holmes is dead - or so everyone thinks, including his old friend Watson. But the great detective still has a few surprises up his sleeve, including a nasty shock for the criminals who thought to profit by his absence! This collection of thirteen cases features missing persons, forced marriage, secret codes, black-hearted sailors, and much more. Written in Conan Doyle's straightforward but elegant style, the stories are steeped in mystery and the atmosphere of Victorian England. See for yourself why so many people find them addictive!
