

## The Unlimited Dream Company (Paladin Books)

From the author of The Sunday Times bestseller Cocaine Nights the story of suburban London transformed into an exotic dreamworld. When a light aircraft crashes into the Thames at Shepperton, the young pilot who struggles to the surface minutes later seems to have come back from the dead. Within hours everything in the dormitory suburb is surreally transformed. Vultures invade the rooftops, luxuriant tropical vegetation overruns the quiet avenues, and the local inhabitants are propelled by the young mans urgent visions through ecstatic sexual celebrations towards an apocalyptic climax. In this characteristically inventive novel Ballard displays to devastating effect the extraordinary imagination that established him as one of Britains most highly acclaimed writers. This edition is part of a new commemorative series of Ballards works, featuring introductions from a number of his admirers (including Ned Beaman, Ali Smith, Neil Gaiman and Martin Amis) and brand-new cover designs.
