The Grapes of Wrath, finished in 1939, is a epic depicting the Great Depression of the 1930s in the United States. When Yoder, the hero of The Grapes of Wrath returned home after expiration of the imprisonment, found homeland is barren. He had to take a beat-up car to the west to make a living. He worked in a farm. Although he and his wife worked hard, they can barely make ends meet. While the farmer often decreased their wages, which caused peasants and workers rebellion. They lunched a strike. Police came to repress and the priest, Kaethe who sympathize with peasant farmers was killed by the armed hooligans.
