

A Billy Bob and Hackberry Holland Ebook Boxed Set: In the Moon of Red Ponies, Rain Gods, Excerpt from Feast Day of Fools

The Holland boys are back in town. Billy Bob and Hackberry Holland are two hard-nosed Texas lawmen who just happen to be cousins. This boxed set includes *In the Moon of Red Ponies*, a Billy Bob Holland classic, and *Rain Gods*, where Hackberry Holland makes his full-length debut, plus a sneak peek at its sequel, *Feast Day of Fools*. New York Times bestselling author James Lee Burke is a rare winner of two Edgar Awards and in 2009 was named a Grand Master by the Mystery Writers of America. In *In the Moon of Red Ponies* Former Texas Ranger Billy Bob Holland has hardly settled his family and his business in their new home in Montana when trouble finds him once again. His first client in Missoula is Johnny American Horse, a young Native American activist charged with the murder of two mysterious men who seem to have recently tried to kill Johnny themselves, or at least scare him off his political causes. As Billy Bob investigates, he discovers a web of intrigue surrounding the case and its players: Johnny's girlfriend Amber Finley; Darrel McComb, a Missoula police detective who's obsessed with Amber; and Seth Masterson, an enigmatic federal agent and a greater danger that threatens himself and his whole family. In *Rain Gods* Hackberry Holland became sheriff of a tiny Texas town near the Mexican border hoping to leave certain things behind: his checkered reputation, his haunted dreams, and his obsessive memories of his late wife, Rie. But the discovery of the bodies of nine illegal aliens, machine-gunned to death and buried in a shallow grave, soon makes it clear he won't escape so easily. The key to the case seems to lie with Pete Flores, a damaged young Iraq veteran, and his girlfriend Vikki Gaddis, who have disappeared. For Hack and Deputy Sheriff Pam Tibbs to untangle the threads of this grisly case, they'll have to find Pete and Vikki before the FBI, Border Patrol, and a

host of cold-blooded killers including the enigmatic Preacher Jack Collins catch up to them Feast Day of Fools (excerpt) Still mourning the loss of his cherished wife, and locked in a perilous almost-romance with his much younger deputy, Hackberry Holland feeds off of the deeds of evil men to keep his own demons at bay. And when a local drunk named Danny Boy Lorca comes to town dead sober, telling gruesome tales of torture and murder and begging to be locked in the drunk tank, it becomes clear that the desert holds all the evil Hack can handle. It seems the ruthless serial killer Preacher Jack Collins is alive and well in the harsh Texas wilderness alongside illegal aliens, federal agents, and a mysterious Chinese woman whose steely demeanor and aristocratic beauty remind Hack of his deceased wife, and who may or may not be drawing him into a deadly trap.
