

## A Visitors Guide to Shanghai - Your guide to making the most of Chinas center of excitement

A quick easy reference guide for first time visitors to historic Shanghai. In this quick, easy to read guide, regular China visitor (and passionate sinophile) Tim Benson covers all the important information you will need for your visit to Shanghai, one of the worlds megacities. From the high-speed Maglev train to the historic Bund and across the river to the skyscraper district of Pudong, this is designed to be a quick reference guide that can be carried around with you on your mobile device while you experience all that Shanghai has to offer. Benson gives you all the information you need to know, plus his own honest opinion of the city, including all of its positives and negatives. Including - How to get into Shanghai Getting around the city Things to do in Shanghai (including the nearby Great Wall of China) Where to stay Where to eat and things to be careful of or avoid
