

Alices Adventures in Wonderland

Originally published in 1865, *Alice's Adventures in Wonderland* is one of the best-known and most popular works of English-language fiction. The story centers on Alice, a young girl who falls asleep in a meadow and dreams that she follows a White Rabbit down a rabbit hole. She has many wondrous, often bizarre adventures with thoroughly illogical and very strange creatures. Often changing size unexpectedly (she grows as tall as a house and shrinks to three inches), Alice encounters such characters as the March Hare, the Cheshire Cat, the Duchess, the Mad Hatter, the Mock Turtle, and the Red Queen. *Alice's Adventures in Wonderland* is a classic that is beloved by listeners of all ages.
