

Anne of the Island: Library Edition (Anne of Green Gables Novels)

Free-spirited and irrepressible, Anne Shirley has a beautiful way of looking at the world. In this third volume of the Anne of Green Gables series, Anne dreams of the woman she hopes to be when she decides to leave her beloved Prince Edward Island for college. She is eager for new adventure but faces difficult choices involving her secret aspirations to be a writer and her hopes of finding the right person to marry. Homesickness and a grumpy old math professor cause Anne to doubt she should be a Redmond College coed. And when Anne is the recipient of unexpected marriage proposals from the most unlikely young men, she may shock friends and Islanders alike with her decision. Then, when tragedy strikes, Anne learns a valuable lesson that prepares her to make the most important choice of all.
