

Anne of Green Gables Great Illustrated Classics

Spunk and Spirit! The farm couple wanted to take in an orphan boy - someone they could raise who will help with the chores. But by mistake, they were sent a girl, the lively independent red-headed Anne, who soon turned their lives and their world topsy-turvy with her way of doing things... ways very different than anyone in the sleepy country town had ever thought of! But as Anne goes from escapade to achievement, from problem to promise, everyone around her comes to realize what a very special girl they have in their midst. Come delight in Annes story as friendship and duty turn to love!
