

Asesinato En Mesopotamia (Murder in Mesopotamia) (Spanish Edition)

When nurse Amy Leatheran agrees to look after American archaeologist Dr. Leidners wife at a dig near Hassanieh, she finds herself taking on more than just nursing duties. She finds herself in a compromising situation, to help solve murders. Fortunately for Amy, Hercule Poirot is visiting the excavation site but will the great detective be in time to prevent a multiple murderer from striking again?
Description In Spanish: Amy Leatheran es enfermera y como tal es contratada para cuidar a Mr. Leidner, esposa de un famoso arqueologo. Mrs. Leider padece una mania persecutoria que le produce alucinaciones y teme ser asesinada. La enfermera se traslada a Mesopotamia y se hace cargo de su paciente en un campamento, en medio del desierto iraqui, donde el marido dirige a un equipo de arqueologos que trabaja en unas excavaciones. Las fantasias de la enfermera aumentan, pero nadie las toma en serio hasta que un dia aparece muerta en su habitacion.
