

Babylon Revisited and Other Stories

The Fitzgerald stories compose an informal history of two decades in American life... But they do more than speak for their time, since they also speak for the author; and taken together they form a sort of journal of his whole career. The stories; The Ice Palace, May Day, The Diamond as big as the Ritz, Winter Dreams, Absolution, The Rich Boy, The Freshest Boy, Babylon Revisited, Crazy Sunday, The Long Way Out.
