

Bel Ami

Returning from three years of military service in Algeria, journalist Georges Duroy takes advantage of his mistresses to achieve success. He wields his charm with unscrupulous ambition, becoming one of the most powerful men in Paris. In his 1885 novel *Bel Ami*, Maupassant constructs a cynical portrait of human nature.

Bel Ami (TV series) - Wikipedia Referring to Guy de Maupassant's eponymous novel, *Bel Ami* celebrates leather in its most authentic expression.
