

The Tale of Two Bad Mice (with Illustrations and Audiobook)

An absolute classic for the kids that teaches important moral lessons at such a delicate age. The tale is about two mice who vandalize a dollhouse. After finding the food on the dining room table made of plaster, they smash the dishes, throw the doll clothing out the window, tear the bolster, and carry off a number of articles to their mouse-hole. When the little girl who owns the dollhouse discovers the destruction, she positions a policeman doll outside the front door to ward off any future depredation. The two mice atone for their crime spree by putting a crooked sixpence in the dolls stocking on Christmas Eve and sweeping the house every morning with a dust-pan and broom :)
