

Homer: The Odyssey

The Iliad (Ancient Greek ?????, Ilias) is, together with the Odyssey, one of two ancient Greek epic poems attributed to Homer, a supposedly blind Ionian poet. The epics are considered by most modern scholars to be the oldest literature in the Greek language. The Iliad concerns events during the tenth and final year in the siege of the city of Ilion, or Troy, by the Greeks. The Odyssey (Greek: ?????????, Odusseia) is commonly dated circa 800 to 600 BC. The poem is, in part, a sequel to Homers Iliad and mainly concerns the events that befall the Greek hero Odysseus (or Ulysses) in his long journeys after the fall of Troy and when he at last returns to his native land of Ithaca.
