

## The Empty House and Other Ghost Stories

From *The Empty House*: Certain houses, like certain persons, manage somehow to proclaim at once their character for evil. With houses it is the aroma of evil deeds committed under a particular roof, long after the actual doers have passed away, that makes the gooseflesh come and the hair rise. Something of the original passion of the evil-doer, and of the horror felt by his victim, enters the heart of the innocent watcher, and he becomes suddenly conscious of tingling nerves, creeping skin, and a chilling of the blood. He is terror-stricken without apparent cause... . Also included in this volume are *A Haunted Island*, *A Case of Eavesdropping*, *Keeping His Promise*, *With Intent to Steal*, *The Wood of the Dead*, *Smith: An Episode in a Lodging-House*, *A Suspicious Gift*, *The Strange Adventures of a Private Secretary in New York*, and *Skeleton Lake: An Episode in Camp*.
