Not illustrated. 1904 Excerpt: ...whether the Queen had lovers; whether Dumouriez, since Valmy, intended to betray her; whether in Prairial it was the Mountain or the Girondist party that began, and in Thermidor the Jacobins or the Plain; what matters it to the development of the Revolution, of which the causes were far. to seek and the results incalculable? Therefore it was bound to accomplish itself, to be what it was; but, suppose the flight of the King without impediment, Robespierre escaping or Bonaparte assassinated--chances which depended upon an innkeeper proving less scrupulous, a door being left open, or a sentinel falling asleep--and the progress of the world would have taken a different direction. They had no longer on the men and the events of that period a single well-balanced idea In order to form an impartial judgment upon it, it would have been necessary to have read all the histories, all the memoirs, all the newspapers, and ainhe manuscript productions, for through the least omission might arise an error, which might lead to others without limit. They abandoned the subject. But the taste for history had come to them, the need of truth for its own sake.. Perhaps it is easier to find it in more ancient epochs? The authors, being far removed from the events, ought to speak of them without passion. And they began the good Rollin. What a heap of rubbish! exclaimed Bouvard, after the first chapter. Wait a bit, said P6cuchet, rummaging at the end of their library, where lay heaped up the books of the last proprietor, an old lawyer, an accomplished man with a mania for literature; and, having put out of their places a number of novels and plays, together with an edition of Montesquieu

and translations of Horace, he obtained what he was looking for--Beaufor...
