

Brazil & Amazon Map Pack

ITMB is pleased to announce the release of our most recent map pack bundling, this time of the Brasil & Amazon. This Map Pack has a value of \$26 if purchased separately, and a packaged price of \$18.95 if purchased in this bundle. The maps are all current editions, conveniently grouped together in a transparent plastic bag with a new cover, showing the covers of the three maps. Brasil Travel Reference Map 1:2,200,000 for the southern portion, and 1:4,500,000 for the northern portion 4th Ed. - our latest updated version of the wonderful country of Brasil (Brazil in English). This 4th edition of one of the largest countries in the world continues ITMBs efforts to map South America in detail. This is a beautiful map, full of information, and showing the improvement of the road network in the north to good advantage; double-sided. Amazon Travel Reference Map 1:3,300,000 scale 5th Edition. This map began life as an academic map called Amazonia. 500 copies were printed for an ecological conference in Hawaii on rainforest preservation. The scientists attending provided so much input that we added everything we could and ended up with a travel map to the Amazon River basin. Its a beautiful map for anyone exploring the southern parts of Colombia or Venezuela or the eastern portions of Peru and, of course, northern Brasil. It is the only map in print that shows the entire river and all of its tributaries.
