

Poirot Investigates (G K Hall Large Print Book Series)

The very first collection of superb short stories featuring Hercule Poirot and Captain Hastings...First there was the mystery of the film star and the diamond...then came the suicide that was murder...the mystery of the absurdly cheap flat...a suspicious death in a locked gun-room...a million dollar bond robbery...the curse of a pharaoh's tomb...a jewel robbery by the sea...the abduction of a Prime Minister...the disappearance of a banker...a phone call from a dying man...and, finally, the mystery of the missing will. What links these fascinating cases? Only the brilliant deductive powers of Hercule Poirot!
