

## Penguin English Library the Warden (The Penguin English Library)

The Penguin English Library Edition of *The Warden* by Anthony Trollope. It was so hard that the pleasant waters of his little stream should be disturbed and muddied ... that his quiet paths should be made a battlefield: that the unobtrusive corner of the world which been allotted to him ... made miserable and unsound. Trollope's witty, satirical story of a quiet cathedral town shaken by scandal - as the traditional values of Septimus Harding are attacked by zealous reformers and ruthless newspapers - is a drama of conscience that pits individual integrity against worldly ambition. In *The Warden* Anthony Trollope brought the fictional county of Barchester to life, peopled by a cast of brilliantly realised characters that have made him among the supreme chroniclers of the minutiae of Victorian England. The first book in the *Chronicles of Barchester*. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.
