

The Call of the Wild

Jack London's classic *THE CALL OF THE WILD* details the story of Buck, a St. Bernard-Collie mix stolen from his California owner. Buck quickly learns from his cruel captivity that he must resort to dormant instincts from his ancient wolf ancestry if he is to survive. Eventually sold into the Canadian Yukon, he endures hard work, extreme cold, and other challenges as he approaches the day when he must respond in full to the Call of the Wild.
