

## Nepal Trek

Be an arm-chair adventure traveler with Kay Shaw as she recounts in her remarkable journal her eight day trek in eastern Nepal as a group of one. She fulfilled a vow made forty-five years earlier to visit this small and little known country which has the Himalaya mountain range for its northern border. Her forty-five color photos illustrate the stunning landscapes she enjoyed, as well as the people she met along the trail and glimpses of everyday life. Woven into the narrative is information about the Nepali land and culture, as well as her thoughts about her experiences.
