

Outsmarting Trumps Wall: Cocaine Cowboys Fly WW II Sub Hunters over Trumps Wall (The Adventures of R.A. McLintock Book 1)

As a graduate of the U.S. Merchant Marine Academy, McLintock drove merchant ships to Europe, The Med, South America and Asia. Later, at IBM and several high-tech startups, he sold computer and telecommunications systems in 19 countries. His 50 year career touched many unique characters, some famous like Steve Jobs and some infamous, like Fred Smith (name changed to protect the guilty). Outsmarting Trumps Wall is the first in a collection of interconnected novels. Book 1 incorporates a 1944 Grumman Widgeon, restored and flown by McLintock in The Florida Everglades during the 80s, while Cocaine Cowboys waged drug wars for rich turf in Miami. Discussion of Donald Trumps Mexico-USA Wall has forced Mexicos Drug Cartel to explore other paths to its biggest market - America. A WW II Sub Hunter, the Grumman Widgeon, provides smugglers a perfect way to bypass even the most sophisticated border defenses. Outsmarting Trumps Wall is a novel that features the WWII Grumman amphibian airplane flying cocaine from Mexico, landing in the sea near Floridas Everglades, and selling the illegal cargo into the rich American market. A drug runners Widgeon crashes, millions in cash fall into the hands of McLintock, a senior citizen cruising aboard his small sailboat; suddenly he is on the run from the murderous Drug Cartel who want their cash back. Subsequent novels in the collection, chronicle our aging Super Hero, evading Cartel hit-men in a cat-and-mouse chase that spans the globe; McLintock stays alive by using his knowledge of the best and the worst places in the world, using flying or sailing skills and paying his way with blood-stained hundred dollar bills. Retired in Texas, McLintock is now releasing the series of novels that disclose his adventures in Israel, Europe and South America; his lawyer believes that the statute of limitations and the use of false

names will render the author bullet proof when the facts hit the fan.
