

Orlando (Spanish Edition)

ORLANDO (1928) narra los avatares a lo largo de cerca de trescientos años del que empieza siendo un caballero de la corte isabelina inglesa. Producto en parte de la ambigua pasión de Virginia Woolf (1882-1941) por Vita Sackville-West y antecedente singular del realismo fantástico, la historia de su protagonista, ambientada siempre en sugerentes escenarios e impregnada por la particular obsesión de su autora por el transcurso del tiempo, se desliza como un deslumbrante cuento de hadas ante los fascinados ojos del lector.
