

Ghost Stories and Tales of Mystery [Illustrated]

Four spine-chilling stories from the Irish writer of Gothic tales and mystery novels Sheridan Le Fanu: *The Watcher*: Wherever he goes, Barton is being followed and its driving him mad. *The Murdered Cousin*: A suspicion of murder had fallen upon the uncle of a young countess, but he must be innocent, because the room where the victim was found was sealed the door had been double locked from the inside! *Schalken the Painter*: Rose is in love with young painter Schalken, but her uncle seals a deal with a strange man who never blinks and doesnt breathe ... *The Evil Guest*: Having dissipated the familys wealth, Richard Marston is at a low point of his life when a letter from a rich cousin arrives. It might help improve the familys finances to invite the cousin or it might be courting disaster. With illustrations by Phiz (Hablot Knight Browne) and additional annotations.
