

Daisy Sisters (Spanish Edition)

Después de haberse carteadado durante tres años, pero sin haberse visto jamás, Elna y Vivi, dos jóvenes suecas de apenas diecisiete años, por fin van a conocerse. Lo harán en el caluroso verano de 1941, en plena guerra mundial, cuando emprendan juntas un viaje en bicicleta hasta la frontera de Suecia país que por el momento se mantiene neutral con Noruega, ocupada por las tropas nazis. El mundo les espera, pero las dos ignoran que, durante el trayecto, el encuentro con dos militares será determinante para el futuro de una de ellas. Las dos fantasean con viajar a países lejanos, con alcanzar la libertad y la independencia; muy pronto, sin embargo, la cruda realidad acabará por imponerse y obligará a desistir de sus sueños a aquellas dos jóvenes que se llamaban a sí mismas Daisy Sisters, siguiendo la moda norteamericana. Pero nunca, ni siquiera en sus peores momentos, ni ellas ni sus descendientes cesarán en su lucha por escapar de su asfixiante entorno y tomar las riendas de su vida.
