

Discover the Northwestern Adirondacks: Four-Season Adventures Through the Boreal Forest and the Parks Frontier Region (Discover the Adirondacks Ser)

Embracing eleven regions within the vast Adirondack Park, this series of four-season, multi-use guides allows the outdoor explorer to discover all of the Adirondacks, from the most popular trails to the most hidden destinations. Each guide presents hiking trail including those suitable for ski-touring, unmarked paths, the best bushwhacks, most of the canoe routes, in fact just about anything you might want to do in the region. Topographic maps with trail overlays as well as dozens of excellent photographs are included.
