

Shadow of the Hangman (Brothers OBrien)

The Greatest Western Writer Of The 21st Century William W. Johnstone, the USA Today bestselling master of the epic Western, continues the saga of the four OBrien brothers--bravehearted men working and fighting the untamed lands of New Mexico Territory to build a dream of America. The Hangman Cometh. . .When a farmers wife is murdered, an innocent man is accused: Patrick OBrien. The book-loving brother had shared his love of literature with the woman, but her husband claims she spurned Pats advances and thats why he killed her. Now it looks like Patrick will swing from the gallows--especially after his lawyer is targeted, too. Pats brothers try to track down the real killer, but time is running out. A team of hired guns has come to town, and theyre choking the family ranch like a noose. For the brothers OBrien, its judgment day. And justice will be served--in a hellstorm of blood and bullets. . .
