

Dracula (Townsend Library Edition)

The first and most terrifying of all vampire stories. Jonathan Harker has a job to do. The young lawyer must go to the mysterious country of Transylvania to work for a man he knows as the Count. At first, Jonathan is excited by the chance to travel and meet new people. But after his arrival in Transylvania, he begins to wonder what's going on. People act strangely upon hearing he is going to visit the Count. When Jonathan arrives at the Count's dark, deserted castle, he too begins to feel afraid. Soon after meeting his host, Jonathan begins to feel trapped in a horrifying nightmare. Only this nightmare is real and he can't wake up. Note: This Townsend Library classic has been carefully edited to be more accessible to today's students. It includes a brief author's biography and an afterword that provides important context about the work.
