

## Electra (Spanish Edition)

Electra o Elektra es una tragedia griega de Sofocles. Su fecha no se conoce, pero varias similitudes estilísticas con el Filoctetes (409 aC) y Edipo en Colono (401 aC), los estudiosos llevaría a suponer que fue escrito hacia el final de la carrera de Sofocles. Situado en la ciudad de Argos unos años después de la guerra de Troya, que se basa en torno al personaje de Electra, y la venganza que ella y su hermano Orestes asumir su madre Clitemnestra y Egisto padrastro por el asesinato de su padre, Agamenon.
