

Brooklyn!, 2nd Edition: A Soup-to-Nuts Guide to Sights, Neighborhoods and Restaurants

NOTE: Due to an error on Amazon, the following describes the second, 1999 edition of my Brooklyn guidebook. Amazon incorrectly uses the title of the third, 2004 edition while displaying the cover of the second book. Go figure. For the latest and greatest however, WAIT UNTIL THE 2016 VERSION COMES OUT..Rutgers University Press. From the author Brooklyn on its own, would be Americas fourth-largest city. From cobblestones and fishing boats to cutting-edge art and restaurants, its New York Citys most authentic borough. Weve got more ethnic communities and one-of-a-kind neighborhoods than you can shake a stick at. Weve got things to do like you wouldnt believe. Weve got more than two million realy New Yorkers. And that aint half the story.A complete handbook for the resident or visitor, Brooklyn! includes:Neighborhoods: From hip Williamsburg to classic Sheepshead Bay, every street has a story.Restaurants: African, Middle Eastern, French, Latino, Russian, Italian, delis, soda fountains, and more.Culture: World-class museums, theater, music, cinema, dance, art, you name it.Activities: Horseback riding? Kayaking? Golf? In Brooklyn!? Who knew?Shopping: Vintage clothes, trendy boutiques, fresh mozzarella, Russian furs, SCUBA gear, and just about anything else you can think of.So whats not to like?
