

## EMILY STARR TRILOGY. Emily of New Moon, Emily Climbs, Emilys Quest. (Timeless Wisdom Collection Book 2104)

This volume features the three novels of the beloved Emily Starr trilogy: Emily of New Moon, Emily Climbs & Emilys Quest. As in her earlier Anne of Green Gables series, these novels depicted life through the eyes of a young orphan girl, Emily Starr, raised by her relatives after her father dies. The author considered Emily to be much closer to her own personality than Anne. Some events in the Emily series happened to Montgomery herself. Emily is described as having black hair, purple violet eyes, pale skin and a unique and enchanting slow smile. A lovely adventure for the ages.
