

Evangeline and Other Poems (Dover Thrift Editions)

It has been said that a copy of Longfellow's narrative poem *Evangeline* could be found in every literate household in America in the nineteenth century. Certainly its poignant romance touched many hearts and stirred deepening interest in the Maine-born Harvard educator who, in his lifetime, would become America's most famous poet. This book contains the complete *Evangeline* and a number of other widely admired Longfellow poems. Included are the memorable *The Skeleton in Armor*, *The Arsenal at Springfield*, *Mezzo Cammin*, and *Aftermath*. Here, too, is *Divina Commedia*, the six sonnets on Dante that are among the poet's finest works. All have been reprinted from an authoritative edition of Longfellow's poems.
