

Moby Dick Billy Budd

This book is considered to be one of the Great American Novels. The story tells the adventures of wandering sailor Ishmael, and his voyage on the whaleship Pequod, commanded by Captain Ahab. Ishmael soon learns that Ahab has one purpose on this voyage: to seek out Moby Dick, a ferocious, enigmatic white sperm whale. In a previous encounter, the whale destroyed Ahabs boat and bit off his leg, which now drives Ahab to take revenge.
