

Modern Classics Homers Daughter (Penguin Modern Classics)

In *Homer's Daughter* Robert Graves recreates the *Odyssey*. This bold retelling of the ancient epic imagines that its author was not the blind and bearded Homer of legend, but a young woman in Western Sicily who calls herself Nausicaa. In Robert Graves's words, *Homer's Daughter* is the story of a high-spirited and religious-minded Sicilian girl who saves her father's throne from usurpation, herself from a distasteful marriage, and her two younger brothers from butchery by boldly making things happen, instead of sitting still and hoping for the best.
