Senegal is the center of tourism in West Africa. Sunny Senegal, the westernmost country on the African continent, sees about a million visitors a year. The countrys 350 miles of coastline along the Atlantic Ocean traditionally has been one of its major draws. If you are looking for more than a resort vacation, Senegal also has plenty of tourist attractions inland: parks crawling with wildlife, massive mosques and historic sites recalling the dark days of slavery Senegals beach resorts are the genesis of its modern tourism industry, dating back to the countrys first Club Med that opened in the 1970s. Many of these beaches are close to the capital Dakar: Plage Bel-Air, NGor Island and Yenn. To its south is a nearly 100-mile stretch of sandy beach known as the Petite Cote, dotted with assorted small fishing villages Goree Island, off Dakars coast, is one of the countrys most-visited historic sites. The island, also a UNESCO World Heritage Site.
