

THE FORSYTE SAGA COMPLETE NINE NOVELS (The Forsyte Saga - A Modern Comedy - End of the Chapter) (Timeless Wisdom Collection Book 3001)

This volume contains the three trilogies, nine books in total, of the amazing FORSYTE SAGA, by John Galsworthy, English novelist and playwright who won the Nobel Prize in Literature in 1932, mostly for these series of books that we now present in one volume. They chronicle the vicissitudes of the leading members of a large commercial upper middle-class English family, similar to Galsworthys own. Only a few generations removed from their farmer ancestors, the family members are keenly aware of their status as new money. The main character, Soames Forsyte, sees himself as a man of property by virtue of his ability to accumulate material possessions but this does not succeed in bringing him pleasure.

THE NOVELS INCLUDED ARE: The Forsyte Saga Book 1- The Man of Property Book 2 - Indian Summer Of A Forsyte Book 3 - Awakening A Modern Comedy [Second Trilogy of the Forsyte Saga] Book 1 - The White Monkey Book 2 - The Silver Spoon Book 3 - Swan Song End of the Chapter [Third Trilogy of the Forsyte Saga] Book 1 - Maid in Waiting Book 2 - Flowering Wilderness Book 3 - Over the River (One More River)
