

Blonde: A Novel

One of America's most acclaimed novelists boldly re-imagines one of America's most enduring icons in *Blonde*, the National Book Award-nominated bestseller by Joyce Carol Oates. The legend of Marilyn Monroe as Norma Jeane Baker comes provocatively alive in this powerful tale of Hollywood myth and heartbreaking reality. Marilyn Monroe lives reborn to tell her untold history; her story of a star created to shine brightest in the Hollywood firmament before her fall to earth. *Blonde* is a dazzling fictional portrait of the intricate inner life of the idolized and desired movie star as only the inimitable Joyce Carol Oates could paint it.
