

Whats to Become of the Boy?: Or, Something to Do with Books

A vivid account of growing up poor, rebellious, and anti-Fascist in Nazi Germany. *What's to Become of the Boy?* is a spirited, insightful, and wonderfully sympathetic memoir about life during wartime written with the characteristic brilliance by one of the 20th-century's most celebrated authors. It is both an essential autobiography of the Nobel Prizewinning author and a compelling memoir of being young and idealistic during an age of hardship and war. From the Trade Paperback edition.
