The Shelf2Life Literature and Fiction Collection is a unique set of short stories, poems and novels from the late 19th to early 20th centuries. From tales of love, life and heartbreaking loss to humorous stories of ghost encounters, these volumes captivate the imaginations of readers young and old. Included in this collection are a variety of dramatic and spirited poems that contemplate the mysteries of life and celebrate the wild beauty of nature. The Shelf2Life Literature and Fiction Collection provides readers with an opportunity to enjoy and study these iconic literary works, many of which were written during a period of remarkable creativity.
