

Witch of Prague (The Dennis Wheatley library of the occult ; v. 8)

Illustrated. The witch Unorna pursues true love. While she is being pursued by Israel Kafka who is madly in love with her, Unorna falls madly in love with The Wanderer, who goes about the world in search of his long lost love, Beatrice. Unorna is not able to make the Wanderer fall in love with her without making many attempts at casting spells on him and plotting against anyone who comes in her way. Can her hypnotic powers succeed, and can she free herself from her agony through the purity of her love? By Marion Crawford
