

## Mrs Lirripers Lodgings

Charles Dickens is considered to be one of the greatest British writers of all times. He was a social activist who wrote plays and novels during the Victorian period. His most famous novels include Tale of Two Cities, Oliver Twist, and David Copperfield. Mrs. Lirripers Lodgings was one of Dickenss Christmas stories, published in All the Year Round magazine: in 1864. Mrs. Lirripers Legacy is the sequel. An excerpt reads, Girls as I was beginning to remark are one of your first and your lasting troubles, being like your teeth which begin with convulsions and never cease tormenting you from the time you cut them till they cut you, and then you dont want to part with them which seems hard but we must all succumb or buy artificial, and even where you get a will nine times out of ten youll get a dirty face with it and naturally lodgers do not like good society to be shown in with a smear of black across the nose or a smudgy eyebrow.
