

The Works of Ben Jonson, Vol. 1 of 9 (Classic Reprint)

Life of Jonson as it has been usually written, would be neither a very long nor a very difficult task; since I should have only to transcribe from former biographers the vague accounts which each, in succession, has taken from his predecessor; and to season the whole with the captious and splenetic insinuations of the critics, and commentators on our dramatic poetry. A due respect for the public seemed to require something more. It was fully time to examine into the authenticity of the charges incessantly urged against this eminent man; and this has been, at least, attempted. The result has not accorded with the general persuasion concerning him. The reader, therefore, who has the courage to follow me through these pages, must be prepared to see many of his prejudices VOL. i. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
