

New Grub Street Volume 1 of 2 Volume I: [EasyRead Large Edition]

One of the premium best-sellers of Victorian era first published in 1891. Gissing has skilfully touched the emotional and social matters through the main character of Reardon, a writer who struggled to get unrivalled success in literary career but remained a failure. The story covers the themes of jealousy, intrigue and struggle for money through the authors own personal experiences. Engrossing!
