

## SALT LAKE CITY TOUR - A Self-guided Pictorial Walking / Public Transportation Tour (visualtraveltours Book 266)

SALT LAKE CITY TOUR -Many people hear Salt Lake City and think immediately of the Mormon church. The city is indeed the headquarters of the Church of Jesus Christ of Latter-Day Saints, and Temple Square downtown offers a fascinating glimpse into this fast-growing faith. Yet Salt Lake is much more - state capital, recreation hub, and a major center of business, arts, and sports in the Mountain West. Salt Lake City welcomed the world when it hosted the Winter Olympic Games in 2002. Now its your turn to take a look! AUTHOR - Tina Lassen is a nationally published freelance writer. Her travel features have appeared in dozens of magazines, including Endless Vacation and National Geographic Adventure. Tina also has authored guidebooks for the National Geographic Books Division, and contributed to books for Frommers, Fodors and Midwest Living. An avid skier, she heads for Utahs Wasatch Range every chance she gets. Visual Travel Tours by Tina Lassen Michigans Magical Mackinac Island Temple Square And Downtown Salt Lake City
