

Oliver Twist

Los bajos fondos londinenses. Dickens fue un maestro de la narrativa y entre sus obras se destacan Las aventuras de Oliverio Twist, una novela de aventuras con trasfondo social, que cuenta la historia de un muchacho al que la vida ha destinado a ser delincuente pero que es salvado por su personalidad. El autor, además de mostrar que la vida del bandido no tiene el romanticismo con que la dibujaron otros autores de la época, crea una serie de acertados dibujos psicológicos de una serie de personajes, que van desde lo más malvado y pervertido, hasta la ternura que acaba por redimir al protagonista. La obra, que fue publicada por entregas en la primera mitad del siglo XIX es considerada como una de las más profundas creaciones de Dickens. Esta edición, leída por el conocido actor Fabio Camero, presenta al público una historia fascinante.
