

OliverTwist (Spanish Edition)

Con Oliver Twist da inicio Charles Dickens a la literatura dedicada especialmente a los adolescentes. Poseyendo un marcado componente autobiografico, esta novela relata las aventuras de un nino que debe desenvolverse en un mundo inhospito, donde tanto la bondad como la maldad son pan de cada dia; pero demuestra tambien que se tienen principios eticos solidos, es posible revertir el infortunio y alcanzar mejores condiciones de vida. Una hermosa y sensible historia, cuyos personajes reflejan la problematica social presente en todas las epocas. Oliver Twist es considerada como una de las novelas mas importantes del siglo XIX y todo un clasico de la literatura inglesa.
