

Around the World on the Cleveland Ship

This is a beauty. Heavy glossy paper with tons of b/w photos taken at the turn of the last century, a pullout map, and the adventures of the cruise around the world in the ship the Cleveland, with each city a different chapter. Entrancing. Great deal, recommended. Very heavy creamy semi-gloss paper give this a rich expensive feel. Rare and extravagant.

List of museum ships - Wikipedia The SS Cleveland was a steam-powered passenger ship in the early twentieth century.
