

# Paradise

His glory, by whose might all things are movd,  
 Pierces the universe, and in one part  
 Sheds more resplendence, elsewhere less.  
 In heavn, That largeliest of his light  
 partakes, was I, Witness of things, which to  
 relate again Surpasseth power of him who  
 comes from thence; For that, so near  
 approaching its desire Our intellect is to  
 such depth absorbd, That memory cannot  
 follow. Nathless all, That in my thoughts I  
 of that sacred realm Could store, shall now  
 be matter of my song.

**Paradise - Wikipedia** Paradise is famous for its glorious views and wildflower meadows.
