

Paradise Regained In Plain and Simple English (A Modern Translation and the Original Version)

John Milton put a twist on the story of Adam and Eve--in the process he created what some have called one of the greatest literary works in the English Language. Paradise Regained is Milton's lesser read, but equally great, follow-up. BookCaps puts a fresh spin on Milton's classic by using language modern readers won't struggle to make sense of. The original English text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.
