

Pattys Summer Days

Isnt Mrs. Phelps too perfectly sweet! That is the loveliest fan I ever laid eyes on, and to think its mine! And will you look at this? A silver coffee-machine! Oh, Nan, maynt I make it work, sometimes? Indeed you may; and oh, see this! A piece of antique Japanese bronze! Isnt it great? I dont like it as well as the sparkling, shiny things. This silver tray beats it all hollow. Did you ever see such a brightness in your life?
