

Ploughshares Summer 1972 Guest-Edited by George Kimball

The Summer 1972 issue of Ploughshares, guest-edited by George Kimball. Ploughshares, a journal of new writing, is guest-edited serially by prominent writers who explore different personal visions, aesthetics, and literary circles. Acclaimed journalist and sportswriter George Kimball (Four Kings, Manly Art) guest edits Ploughshares second issue, showcasing a literary magazine still finding its voice and unfettered by structure. Featuring fiction and poetry interweaved with art and subversive anti-dramas, Kimball's issue shows the foundation of innovation and challenging thinking that would come to define Ploughshares. The issue features work from Ploughshares guest editors:
